

caytm technologies (r&d center of cred.ai, usa)

Date: 12 Aug 2026

TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Mr. Anup S** successfully completed his internship with **Caytm Technologies, Bengaluru**, from **25 May 2026 to 31 July 2026**.

The internship was designed to provide him with practical exposure to a professional work environment and an opportunity to apply his academic learning. During the internship, he underwent training and worked on assignments covering Java programming, database management, artificial intelligence, and cloud computing.

Throughout his internship, Anup demonstrated punctuality, diligence, and a strong curiosity to learn. He approached the learning opportunities and assignments with sincerity and a positive attitude.

We appreciate his efforts and wish him every success in his future academic and professional endeavours.

For Caytm Technologies
